To: Whom it may concern

Ordway Cattle Feeders, LP is a 70,000 head Feedyard located in the Southeast corner of Colorado. At Ordway Cattle Feeders, LP we deliver all of our manure that is produced straight out of our pens to the composting area where Compost Technologies Composts the manure. Ordway Cattle Feeders, LP does not apply any odor suppressants, or fly insecticide to any of our pens, or manure. If you have any questions or concerns. Please feel free to call or email me anytime.

Sincerely,

A handwritten signature in blue ink that reads "Tyler Karney". The signature is fluid and cursive, with the first name "Tyler" written in a larger, more prominent script than the last name "Karney".
